

Corsair 31UC; Ultimate Cruiser

2010 Specifications

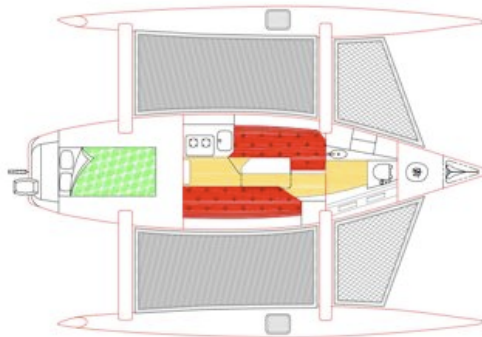

Corsair 31 models, like all other Corsairs, incorporate the exclusive folding system which enables them to be easily trailered, greatly extending your sailing horizons. The cockpit is spacious with all control lines leading aft for ease of sail handling and control. The Corsair 31 Ultimate Cruiser combines performance with the ultimate in cruising accommodations. The forepeak area houses the head, shower, wet /dry storage and hanging locker. This alternative interior layout allows for a full salon and aft cabin interior that is without obstruction. The Corsair 31 UC has full standing headroom. As easy to trailer, beach and sail as her sisters, the Corsair 31 Ultimate Cruiser is the perfect boat to sail away

on for a week, a month, or more.

In June 2010, adventurer Borge Ousland will set off to circumnavigate the North Pole (Arctic Ocean) in a Corsair 31 UC because "the Corsair has repeatedly proven herself (as being) fast and very safe."

The base boat includes the following features:

- Lightweight aluminum folding system
- Rotating aluminum wing mast , main, jib, spinnaker and screecher halyards; roller furling boom with internal outhaul and in-boom hardware for jiffy or slab reefing; stainless steel standing rigging; two Harken B40.2 self tailing primary winches with 12" handle; one Harken B32.2 self tailing cabin top winch, two Harken B40.2 coaming winches; Harken Big Boat Series, windward sheeting car, Harken Hexa-cat™ 8:1 mainsheet system; two jib sheets; five deck-mounted clutches for main, jib, spinnaker, and screecher halyard, plus tack line.
